

Winning The Fight For Charities

Celebrity Fight Night, founded by Jimmy Walker is recognized as one of the nation's elite charity events. This successful, star-studded charity event honors the late leading Heavyweight Boxer of the 20th century, Muhammad Ali. CFN left its hometown of Phoenix, AZ and travelled to celebrate in Florence, Italy. Families of the most exclusive Italian fashion houses along with celebrities such as Sharon Stone, Reba McEntire, David Foster, Ronnie Dunn and Larry King all joined in the effort to raise funds and awareness for two very important organizations. Approximately 100 philanthropic donors and special guests enjoyed dinner and entertainment with Andrea Bocelli, and were also guided throughout Tuscany while being treated to the very best arts, entertainment and culture in the region. The festivities culminated with a gala dinner with all proceeds benefiting the Andrea Bocelli Foundation and the Muhammad Ali Parkinson Center at the Barrow Neurological Institute. The CFN Foundation has raised over \$100 million for charities over the last 22 years. Thank you to all the attendees and generous supporters that allow us to make a difference in many less fortunate people's lives. Your Kindness is Greatly Appreciated.
